RE: REGIONAL KILLER AND GENOCIDE PROGRAMMER BOYDEN GRAY OF, <https://boydengravassociates.com>, REPLICATED AND INFLICTED FINANCIAL DEREGULATION CRIMES, AFFINITY FEDERAL CREDIT UNION PREMIUM VISA CARD ENDING IN 3501 MISSING AND OMITTED BANK RECORD AUTHORIZATIONS FOR HERTZ CAR RENTAL SPORTAGE KIA FROM MAY 25, 2022 TO JUNE 15, 2022, AND HERTZ RENTAL CAR RECORD 578075260 MISSING AND OMITTED AFFINITY FEDERAL CREDIT UNION PREMIUM VISA CREDIT CARD IDENTITIFACTION INFORMATION, FINANCIAL REGULATION SOUGHT TO PREVENT FURTHER INFLICTED REGIONAL KILLER BOYDEN GRAY FRAUD BY OMISSION, INTENTIONAL MISREPRESENTATION AND PROGRAMMED REPEATED CAR RENTAL SABOTAGES AND CAR ACCIDENTS

Dear Affinity Federal Credit Union, Hertz Car Rental, Public and Criminal Justice Officials:

I am saddened, but have no choice, but to document Regional Killer Boyden Gray's, criminal senile, repeated, name aligned, criminal interference financial deregulation crimes with my current, newly opened Hertz car rental record number 578075260 billed to my Affinity Federal Credit Union Premium Visa card ending in 3501. Foremost, May 25, 2022, I opened a new account with Hertz car rental company for the above noted car with my Affinity Federal Credit Union Premium Visa card ending in 3501.

Two hundred dollars was reserved for a Hertz deposit and \$741.00 was authorized for the above noted dates, for this rental equaling \$942.00, up to June 15, 2022. Please see the attached Hertz rental record number 578075260 in exhibit 2. The Hertz authorizations for the above dates are omitted off of the bank's business records and the credit card identification ending numbers have been omitted off of the Hertz rental record noted above despite the Affinity Federal Credit Union Premium Visa card being authenticated, swiped and authorized on site for use and authorization at Hertz.

Please note I extend the Hertz car rental record by paying weekly on the credit card. Hence, required accurate banking and Hertz rental record credit card disclosures are needed.

I have recently been inflicted with defective banking and car rental records. I seek an end to these inflicted financial deregulation crimes. Please see exhibits 1-5. The authorized money put and secured on the premium Visa card for the current Hertz rental is not available credit. The \$942.00 I put on the card for the Hertz authorization and deposit, was supposed to be disclosed in the transaction history and deducted from the premium Visa credit card available credit.

I should not have to tell the bank this. This is procedure for everyone, except me, in this matter. You cannot publish a credit card's authorized, secured and on hold credit/money as available credit. This is called fraud by omitting the current Hertz authorization from the entire banking record.

I have been inflicted with the attached defective Hertz rental records via the omitted credit card identification ending numbers, despite swiping and authenticating the use of the above noted Affinity Federal Credit Union premium Visa card ending in 3501. Please see exhibit 2. These are repeated Regional Killer Boyden Gray, criminal senile, patterned, practiced, and name aligned financial deregulation crimes and stalking's. He needs to be arrested for repetitiously enjoining multiple companies and hospitals in his fraud by proxy and murder by proxy operations.

Please see the reference links and calculate the Regional Killer Boyden Gray name aligned murder by proxy programming's, administered in the same conspiracy against rights manner, his fraud by proxy programming's are being administered.

I have been criminally set up for car rental credit card authorizations under phenomena, just like Regional Killer Boyden Gray's name aligned deadly viruses kill people under phenomena. These fraud by omission acts present many problems and questions. One, is Regional Killer Boyden Gray programming another one of his murder by proxy killings of me via another programmed car kill switch use or his programmed car accidents? Please see his recent Hertz kill switch murder by proxy administration at: https://archive.org/details/may-25-2022-hertz-car-rental-incident-report-final_202205/mode/1up

He programmed his kill switch use in Enterprise car rental too and had me left on the highway for over 10 hours in the middle of the highway. He administered his name aligned financial deregulation banking billing fraud crimes thereafter. I paid for rental car repairs in order to get home despite the car dashboard stating car error malfunction. Regional killer Boyden Gray used a bank credit card for fraudulent billing to exasperate his crimes. He was not prosecuted, so his fraud and murder by proxy crimes have repeated and continued. Please see his programmed, unregulated, and replicated rental car crimes and murder by proxy programming's here: <https://archive.org/details/enterprise-september-9-2021-notarized-w-mail-receipts-roadside-assistance-killer/page/12/mode/1up>

With respect to this matter, questions need to be answered. Why would Affinity Federal Credit Union omit the above noted and current authorized premium card ending in 3501 Hertz authorized billing holds on the entire bank records, when last week the authorizations were noted? Why would Hertz car rental omit the Affinity Federal Credit Union premium Visa credit card identification, authentication and or ending numbers of the credit card? Why is this fraud by omission being administered? Who benefits from these programmed Regional Killer name aligned financial deregulation crimes?

How can the financial deregulation crimes be stopped, avoided and prevented? Are these Regional Killer Boyden Gray, name aligned, financial deregulation crimes instituted, for Regional Killer Boyden Gray's unregulated, senility, programmed car accidents and or car sabotages, to have delusions of no credit card liability for his programmed crimes? When is Regional Killer Boyden Gray going to be arrested and faced with his name aligned killings and crimes? He has earned the death penalty for his multitudes of name aligned eugenic killings, attempted murders of me, coupled with his repeated and antiquated, fraud by proxy and murder by proxy operations.

To this end, to Hertz and Affinity Federal Credit Union officials, to prevent Regional Killer Boyden Gray's further interferences with state and federal laws, known as COINTELPRO terrorizations, please make sure when I swipe and authorize secured money on my credit cards, for car rentals I use, that the authorization for the car rental is disclosed and transparent, not omitted. Please make sure all car rental authorizations, I endorse are documented in the bank's transaction history and the available credit shows the holding and authorizations, coupled with the required credit card identification on the Hertz rental record. This will prevent Regional Killer Boyden Gray's repeated inflicted financial deregulation crimes noted below, emphasis on his inflicted: 18 U.S. CODE § 1028 - FRAUD AND RELATED ACTIVITY IN CONNECTION WITH IDENTIFICATION DOCUMENTS, AUTHENTICATION FEATURES, AND INFORMATION.

In the below Affinity Federal Credit Union Premium Visa bank records, there is no mention of the Hertz authorizations attached. This is problematic. The bank record is erroneous. This \$942.00 Hertz authorization money I put on the card, is omitted. This missing Hertz authorization can cause many problems and I seek to prevent such.

The bank records should show an authorized and reserved \$942.00 for Hertz, for the above dates and every time I re-rent and use the premium card the money should be reserved, noted in the transaction history as pending, and not listed as available credit. Please make sure the Hertz car rentals I authorize with the premium credit card is shown in the bank's business records and not listed as available credit when it has been authorized and reserved for car rentals.

Please treat me like anyone reading this would like to be treated. Authorized and reserved payments on the premium Visa card are supposed to be on the bank's transaction history pending record. I should not have to ask for this. Credit card identification is supposed to be on the car rental record in the car rental authorization section. I should not have to ask for this.

To omit the car rental authorization identification and to omit the Hertz car rental authorization on the bank's records, is to participate in Regional Killer Boyden Gray's criminal insane, name aligned, financial deregulation and conspiracy to murder programming, that must be stopped. These are crimes inflicted on me that I have nothing to do with and as such I am seeking the stoppage of these crime inflictions.

I should not have to sue to stop Regional Killer Boyden Gray's repeated criminal activities and attempted murders of me, when there are laws and criminal agencies, put in our, we the people governance structures, to stop these crimes. The below crimes are preventable by instituting transparent and required financial regulations, and such prevents unwarranted scamming and assures the Hertz car rental payments I have put into the credit card account, are used in the manner I have authorized accordingly.

I have informed the bank and Hertz car rental agents of Regional Killer Boyden Gray's, criminal senility, multiple stalking's, financial deregulation crimes and his name aligned killings. Please see the reference section. Please do not let this 81-year-old killer criminally usurp authority in this bank and Hertz to scam, harm, injure and or kill. He has done this with many banks and car rental companies and have gotten those entities in major criminal problems. He specializes in criminal insane financial deregulation crimes rooted in [FRAUD BY OMISSION AND INTENTIONAL MISREPRESENTATION](#).

Please do not allow Hertz and the banking partners to be used as part of his criminal insanity. Do not omit rental car authorizations on bank records and do not omit credit card identification information on car rental records. Stop this dreadful and deadly Regional Killer Boyden Gray name aligned financial deregulation conspiracy against rights, that steals, injures, harms, damages cars, and induce accidents, to leaves innocent people dead and scammed, under a documented, criminally insane, Regional Killer Boyden Gray conspiracy against rights programming.

Attached you will see the authorizations I received from Hertz for the above dates using the Affinity Federal Credit Union Premium Visa card ending in 3501. Hertz, officials, please make sure the credit card identity documentation is on al car rental records. This is required under the law and will safeguard authorized money reserved and contracted for Hertz car rentals.

At present, I have been inflicted with two financial deregulations. One is the omitted Premium Visa card ending in 3501 authorizations on Affinity Federal Credit Union Bank records. Two, Hertz rental record omitted Affinity Federal Credit Union Premium Visa card authorization identification numbers and authentication.

These are criminal insane premeditated Regional Killer Boyden Gray mentored, repeated, and implemented sexist and racist, financial deregulation [Fraud by Omission](#) and [Intentional Misrepresentation](#) crimes. They do not belong in Affinity Federal Credit Union and Hertz. They are designed for this 81-year old's insanity rooted in exploitation and premeditated fraud inflictions. This is what happens when a criminal killer is not stopped. He seeks to expand the crimes, killings and criminal insanity. I seek to prevent and stop these crimes and killings.

Regional Killer Boyden Gray has been killing children and adults without penalties for over 50 years. He has used the below financial deregulation crimes as precursors for his adult killings. He inflicts the below crimes on people from all over, but he targets women and people of color. He is a criminally insane sexist and racist, who kills children too. The above noted and the below are some of his specialty precursor fraud crimes:

- 18 USC 1001 FALSIFICATION OF DOCUMENTS
- 18 U.S.C. §1030: (A)(4): FALSIFICATION OF COMPUTER RECORDS
- ARTICLE 175 – OFFENSES INVOLVING FALSE WRITTEN STATEMENTS
- 175.10 FALSIFYING BUSINESS RECORDS IN THE FIRST DEGREE.
- 175.35 - OFFERING A FALSE INSTRUMENT FOR FILING IN THE FIRST DEGREE
- 175.45 - ISSUING A FALSE FINANCIAL STATEMENT
- 18 U.S. CODE § 1028 - FRAUD AND RELATED ACTIVITY IN CONNECTION WITH IDENTIFICATION DOCUMENTS, AUTHENTICATION FEATURES, AND INFORMATION
- FDCPA § 1692 E(13) DOCUMENTS ARE BANKING/CAR RENTAL/ LEGAL PROCESS WHEN THEY ARE NOT

Please facilitate financial regulation by accurate credit and transaction history disclosure reporting of authorizations and not listing reserved authorizations and payments on hold as available credit. Please help make America great again, advance civilization, stop deceptive, defective, and false business record creations, and do not partake in Regional Killer Boyden Gray's name aligned, documented, replicated, ongoing, continuous, and not stop yet, above noted financial deregulation crimes, which serve to pave the way for his name aligned criminal senile and not stopped yet eugenic assassination programming's.

For the record, please note I put money on the card weekly because Regional Killer Boyden Gray used two other banks and rental car companies to steal prepaid monthly payments from me without penalty. I would have to sue over 150 entities to be compensated for Regional Killer Boyden Gray inflicted fraud crimes. He is operating a well-documented, criminally insane, and deadly conspiracy against rights. He uses his law front and companies to seek revenge for exposing his name aligned crimes and killings documented in the reference section. I am doing what any educated and skilled person would do, document the crimes and killings, seek help to stop these repeated, diabolical, criminal senility crimes, until this name aligned killer, is institutionalized and facing the death penalty he rightfully earned.

Until then, I respectfully request Affinity Federal Credit Union and Hertz to treat me the way any agent would want to be treated. This means to stop all Regional Killer Boyden Gray above noted financial deregulation crime inflictions in the attached Hertz authorization omissions in the Affinity Federal Credit union premium Visa bank records and to stop all Hertz credit card identification omissions on the car rental record. These intentional fraud by omission and misrepresentations must be stopped.

Also, note, the only reason I am renting a car is because Regional Killer Boyden Gray's above noted crimes and attempted murders were inflicted on me in two car dealership, unregulated salvage car lease as brand-new car scams and in the NYS DMV. His crimes and killings will be stopped because this earth belongs to the Most-High God and his creations. Everybody cannot and will not be bought out. In a matter of time Regional Killer Boyden Gray's killings and his fraud crimes will be stopped.

In closing, and until Regional Killer Boyden Gray is institutionalized, Affinity bank agents please do not omit authorizations, such as the attached, Hertz and I, authorizations contracted. Affinity Bank agents, please do not list Hertz reserved money, I put in the premium Visa account on a weekly basis, as available credit to other merchants.

It is not available credit. It is authorized credit put on hold for the car rentals I am paying for. These Affinity bank omissions and misrepresentations can cause additional systemic unwarranted and preventable problems.

Also, please put in writing, why my Affinity checking account which I use to pay my Affinity Premium Visa card has been today sabotaged by the placement of a -\$146.62, immediately after I deposited over \$260.00. Is this criminal senile retaliation for writing this needed consumer protection letter? Such will not be tolerated. Also, a reason why I was not notified at all, of the exhibit 5, out of the sky, malicious negative concoction creation, on my checking account w nothing to substantiate.

At present, I am using this Affinity premium Visa card, this time frame for Hertz car rentals exclusively. There are no other contracted outstanding authorizations to Hertz and or any other merchant. Please respect my right to financial regulated and accurate required bank and car rental disclosure records. I have attached 9 exhibits and an extensive Regional Killer Boyden Gray reference list. Please forward the reference list links to criminal justice authorities, to help stop Regional Killer Boyden Gray's name aligned murder by proxy killings, financial deregulation crimes and criminal enjoins of banks and rental car companies, in his criminal senile conspiracy to murder crimes.

Please note I have had a very good rapport with the local Hertz agents. They have been very professional in handling major Hertz issues. Hence, Regional Killer Boyden Gray, as part of his senility, is angered and envious, because he specializes in pitting people and agencies against people via obstruction of justice, so he can criminally rule. Consequently, he has programmed the attached as exhibit 2, defective Hertz car rental records with missing required credit card identification information to induce his criminal senile unwarranted deadly problems.

The local Hertz agency agents gave me the defective rental record that was criminally programmed/computerized from the top. Please stop all Regional Killer Boyden Gray name aligned financial deregulation crimes in Hertz and in the banks. Full disclosure of car rental credit card transactions on the bank and car rental records will stop Regional Killer Boyden Gray's programmed fraud by omission and deliberate misrepresentation record creations.

The problem is not Hertz or Affinity Bank, the problem and the crimes are coming from Regional Killer Boyden Gray's unregulated, over 50 years of programmed name aligned killings and crimes, with no penalties yet. He must be stopped on behalf of the sanctity and respect for God given healthy life and financial regulation enforcement in banks and car rental agencies. These are documented CRIMINAL OFFENSES, NOT CIVIL. I am entitled to crime victim protections. No one should have to deal with these Regional Killer Boyden Gray repeated, criminal senility, false phenomenon and delusions, of above the law attempted murders, murder of my family members, and indisputable, name aligned, ongoing and continuous, financial deregulation crimes.

It is my prayer that bonded public safety, public and criminal justice officials will step in and stop Regional Killer Boyden Gray's programmed murder by proxy killings and crimes. Should further information be needed, please contact me. Thank you.

Sincerely,

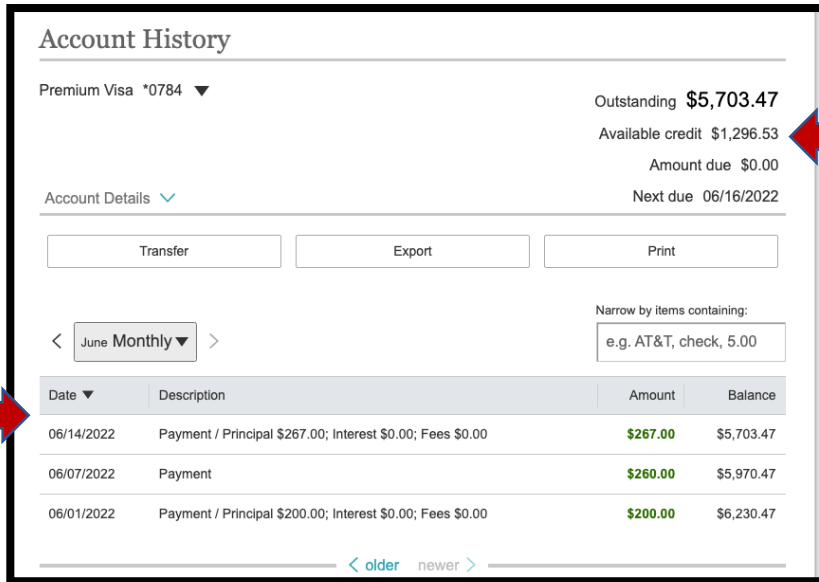

A handwritten signature in black ink, appearing to read 'Miriam Snyder', with a stylized, cursive script.

Black professionals who have been navigating systemic racism and working to change it for decades say it's past time for the rest of their industries to get on board. There are concrete methods of fighting racism that are more effective. As attention to systemic racism takes center stage during this pivotal moment in our country, the prevailing question is how much longer must they wait.
